Lockheed Martin Leadership Association
P.O. Box 10310, Burbank, CA 91510-0310

Dear Star Dusters:

This is the Star Dusters 37th year and our membership now includes more than 2200 members whose names appear in this roster. This roster should not be used as an unauthorized mailing list. It is intended to be enjoyed only as a means of contact with friends and associates developed over the years at Lockheed and Lockheed Martin. The roster must be handled carefully and not made available to anyone else. It should be destroyed when no longer useful.

Your Board of Directors, Officers and the Coordinators of our various activities deeply appreciate your interest and support. As you know, all work in the Star Dusters is voluntary and it is helpful to receive your comments and suggestions.

While we have made every effort to provide the correct name, address, and telephone number of each member errors do occur. If we have made an error, please forgive us, but do let us know so we may correct the mistake in the future. Most importantly, be sure to let us know if you move or change your phone number. Please call toll free 1-888-718-5328, ext. 2011 and leave a message.

Our objectives, as expressed in the Bylaws (Article II), are simple and straight-forward and bear repeating:

- To provide a warm, friendly, and helpful organization for retired Lockheed and Lockheed Martin employees.
- To preserve that loyalty and team spirit, which has always characterized Lockheed and Lockheed Martin.
- To provide opportunities for members and friends to travel together to interesting locations in the United States and abroad.
- To provide an opportunity for group participation in recreation and social activities.
- To provide an opportunity for participation in community service projects and philanthropic endeavors.
- To provide the means for retirees to maintain contact with former associates and the status of activities within the Corporation.
- To provide information and services to members that will permit them to enjoy a fulfilling and more carefree retirement.

Please let us hear from you as your thoughts and suggestions are always welcome.

Sincerely,

Lou Barnard
President
