

Star Dusters

Retirees Affiliated With Lockheed Martin
P. O. Box 10310, Burbank, CA 91510-0310

Congratulations on your retirement, and thanks for your contributions to Lockheed Martin and the aerospace industry.

As a retiree, you are now eligible and cordially invited to join the Star Dusters, an organization of retired employees from Lockheed Martin Corporation and its heritage companies.

Formed in 1950s in Burbank, CA, Star Dusters began as a retiree group of Lockheed Aircraft Company employees. We have since broadened our focus, and currently have over 1,800 members in 40 states and from many Lockheed Martin divisions.

Over the years, many Lockheed Martin retirees have found that Star Dusters is an good way to “keep in touch” with their friends and colleagues, and the continuing aerospace successes of Lockheed Martin.

Star Duster members enjoy many benefits of membership, including an excellent monthly newsletter, organization website, membership roster with address and e-mail information, reunion events and member outings, and information on satellite organizations and other retiree groups. The attached description of Star Duster member benefits provides more details.

Retirees who join the Star Dusters pay modest annual membership dues as shown in the enclosed Application for Annual Membership. **Currently, we are offering new members a complimentary on-line membership in Star Dusters through the end of 2011.** Should you decide to join, please complete the application information and mail it to the address shown.

If you would like more information, please call our toll-free number, 1-888-718-5328, ext. 2011, or e-mail us at LMStardusters@aol.com.

I look forward to you joining the Star Dusters!

Sincerely,

Don Meena
President
