

# Star Dusters

June 2010

Lockheed Martin Retirees affiliated with  
Lockheed Martin Leadership Association  
P.O. Box 10310, Burbank, CA 91510-0310

Dear Star Dusters:

This is the Star Dusters 39<sup>th</sup> year as a retiree organization and our membership now includes more than 1760 members whose names appear in this roster. This roster is intended to be enjoyed as a means of “keeping in touch” with friends and associates developed over the years at Lockheed and Lockheed Martin. It should not be used as an unauthorized mailing list. The roster must be handled carefully and not made available to anyone else. It should be destroyed when no longer useful to you.

While we have made every effort to provide the correct name, address, and telephone number of each member, errors do occur. If we have made an error let us know so we may make the correction. Most importantly, be sure to let us know if you have moved, changed your e-mail address or changed your phone number. Please call toll free 1-888-718-5328, ext. 2011, or e-mail us at: [sdupdate@earthlink.net](mailto:sdupdate@earthlink.net).

The Board of Directors, Officers and the Coordinators of our various activities deeply appreciate your interest and support. As you know, all work in the Star Dusters is voluntary and we welcome your comments and suggestions.

Our objectives, as expressed in the Bylaws (Article II), are simple and straight-forward and bear repeating:

- To provide a warm, friendly, and helpful organization for retired Lockheed and Lockheed Martin employees.
- To preserve loyalty and team spirit that has always characterized Lockheed and Lockheed Martin.
- To provide opportunities for members and friends to travel together to interesting locations in the United States and abroad.
- To provide opportunities for group participation in recreation and social activities.
- To provide the means for retirees to “keep in touch” with former associates and the status of activities within the Corporation.
- To provide information and services to members that will permit them to enjoy a fulfilling retirement.

Please let us hear from you as your thoughts and suggestions are always welcome.

Sincerely,

Don Meena  
President
